## Empower through Education

Your gift to The Rotary Foundation allows us to invest in our future by supporting Rotarians around the world to change lives and create opportunities through our groundbreaking work in education and literacy. Some examples are:

The SOUNDS program in South Africa, Puerto Rico and the United States teaches educators how to improve literacy by teaching children to recognize letters by sounds instead of names.

Rotary members in the United States partnered with ProLiteracy Detroit to recruit and train tutors after a study showed that more than half of the local adult population was functionally illiterate.

## Birthdays .....
