Last Week's Program

Our own Dr. Nayef Samhat shared several items of good news about Wofford College last week. Dr. Samhat is Wofford's 11th president, serving since 2013. He told us that Wofford fits in the niche of liberal arts colleges, which are facing increasing pressure due to declining enrollment and low endowments. He pointed out that Wofford has had increasing applications over the past four years, with greater diversity among the students.

Come, Ye Thankful People Come

Come, ye thankful people come, Raise the song of harvest home'
All is safely gathered in, Ere the winter storms begin;
God, our Maker doth provide for our wants to be supplied;
Come to God's own temple, come, Raise the song of harvest home.

All the world is God's own field, Fruit unto His praise to yield
Wheat and tares together sown, Unto joy or sorrow grown;
First the blade and then the ear, Then the full corn shall appear
Lord of harvest, grant that we Wholesome grain and pure may be.

Dr. Nayef Samat gave us an update on Wofford College at our meeting last week.
