## FUN FACTS

Paige Stephenson

1. I met Harper Lee, author of "To Kill a Mockingbird," at the funeral home.
2. I love to ride roller coasters and have ridden four of the top five tallest and fastest steel coasters in the U.S.
3. While in high school, I raised 4H steers and for four years in a row, my steer won best groomed at the county show.
4. I am the descendant of a Creek Indian princess, Sehoy III.
5. I am a graduate of the University of Alabama and am a diehard football fan. I come from the era when we actually had clutch field goal kickers.
6. I served nine years as the program chair for North Spartanburg Rotary Club.
7. Our dog, Alice, is deathly afraid of storms and is easily bored. When either occurs, she can scale a five foot fence in 3 seconds.
8. Kyle and I love to cook together. Currently, homemade pasta and pizza are our thing.
9. Didn't realize I was mildly claustrophobic until I was in "fat man's squeeze" in Linville Caverns with a large group.
