## Last Week's Program

Our program at our last meeting was presented by Tracey Jackson, Executive Director of Piedmont Care, a nonprofit 501c3 organization providing HIV/AIDS care, prevention, and advocacy in Spartanburg, Cherokee, and Union counties of South Carolina. They are the only organization in

our community 100% dedicated to the fight against HIV/AIDS. South Carolina is 8th in the nation in HIV infection rate, which Tracey attributed to not doing a good job of preventive care.
