## Last Week's Program

Leslie Rodger presented our program last week on the waste diversion programs offered by Atlas Organics. The company offers compost services for food residuals and yard debris, turning them into valuable soil amendments. She pointed out that 40% of food that is grown in South Carolina generated 607,000 tons of food waste in 2015. The residential program is called Compost House, offering weekly or biweekly pick up.

## Upcoming Programs

Feb. 20	PS I Love You	- Kay Kirby
Feb. 27	Beauty and the Beast	- Oakbrook Students Performance
March 6	USC Upstate	- Dr. Brendan Kelly

## Battle Hymn of the Republic

Mine eyes have seen the glory of the coming of the Lord  
He is trampling out the vintage where the grapes of wrath are stored  
He hath loosed the fateful lightning of His terrible swift sword  
His truth is marching on  
Glory, glory, Hallelujah, Glory, glory, hallelujah,  
Glory, glory, hallelujah, His truth is marching on.
