## Last Week's Program

Last week we learned about the faith based not-for-profit organization P.S. I Love You Ministries from Executive Director Kay Kirby. The group was founded in 2009 by two couples with a desire to make a difference in the lives of children. She told us there are 446 kids in foster care in Spartanburg County placed in 142 licensed homes. However, the demand for foster parents is so high that many children have to be placed in other counties.
