FUN FACTS

Lindsay Garrity

1. The summer after my senior year of high school I had the privilege of traveling to Australia, New Zealand and Fiji with the Spartanburg High School symphony orchestra (I played the viola).
2. I have a 25% hearing loss in both ears and I've worn hearing aids since the 1st grade. Most people don't ever notice.
3. I am pretty good at reading lips - result of #2 above.
4. I have an adorable spunky three year old little girl - Ryleigh Grace.
5. I am one of five siblings - ages ranging from 9 to 36. I love spending time with family. So much so that I live right across the street from my mom and diagonal from my sister and her two daughters.
