

Welcome To Rotary

**Tuesday
September 23, 2014**

Today's Program

Today's Song: This is My Country - Kyle Atkins

Today's Invocation: Pastor Kevin Harrison

Health & Happiness: Max Hyde

Today's Program: New Member Talks
- Lindsay Garrity, Troy Hanna and Sam Bass

Last Week's Program

Spartanburg County Librarian Todd Stephens presented the program last week, explaining the Library's acquisition, preservation and presentation of Spartanburg's history. They have made great efforts to rescue and collect numerous articles documenting Spartanburg's rich heritage.

Upcoming Programs

Sept. 30	Candidate for Governor of SC	- Tom Ervin
Oct. 7	Israel - Trip Report and State of Affairs	- Byron McCane
Oct. 14	Childrens Advocacy Center	- Mrs. Cole
Oct. 21	TBA	

FUN FACTS

Martha Chapman

I have practiced Interior Design for 30 years (yikes I feel old). My first 9 years were in Manhattan where my main business was hospitality design - Intercontinental, Doral, Ramada Renaissance, Hiltons chains to name a few - my favorite were the historic renovations because of the pride the community took in reviving a part of their notable past. My most infamous project was a presidential suite at the Plaza Hotel where my client was Ivanna Trump. I'm an only child. My passions - Sharing all the below with my family: The outdoors, exercising (running and biking), hiking, traveling to beautiful nature destinations, cooking - great tasting food from around the world and trying to interpret them in the most healthy way possible, Art - Impressionism is my favorite period, My current community involvement that fits my passions The Arts Partnership, Partners for Active Living, Two of my most daring achievements - Zip Lining with my family and Canyoneering with my eldest daughter, I learned to drink scotch on Capital Hill while in College

Rotary Youth Leadership Awards (RYLA)

Last week Mike Kohler introduced the two RYLA candidates who were sponsored by our club this past summer at Erskine College. Sam Mathis and Megan Huff are both students at Spartanburg High School, and they thanked the club for sponsoring them and they shared some of their experiences.

Paul Petersen was presented with a certificate of appreciation by President Hank for his hard work on the water purification project in Peru, which he has been working on since 2006.

Welcome New Member

Dr. Joshua Summers
