THE ROTARY CLUB OF SPARTANBURG CENTENNIAL CLOCK April 1, 1916 - April 1, 2016

The Rotary Club of Spartanburg has chosen to place a Verdin four faced clock in Downtown Spartanburg to celebrate the Club's 100th Anniversary. The City of Spartanburg supports the placement of the clock on the corner of East Main and Liberty Streets. The cost is \$30,000.

The clock that has been selected is a 12'8" in height with 28" dials and is known as Verdin's Howard Replica/Seth Thomas (Model 4M/STII). This clock is similar to the one selected by the Rotary Club of Lexington (SC) which is shown below. Paint color is black.

Your tax deductible donation will make a difference and recognize our Club's impact over the last 100 years. You may contact Kit Jennings at cjenn519@aol.com to have your account billed, or return the pledge card that was sent to you in the mail.

Pledges continue to come in, with **110 of our 193 members (57%)** making a pledge thus far. We would like to see **everyone** participate in this campaign, at any level you are able to contribute. All funds contributed over the cost of the clock will go to our Youth at Risk program. Please make your pledge today!!!

THANK YOU!
