FUN FACTS

Jay Sinsley

Never graduated from high school - skipped my senior year to go on to college. Went to college early admission and at that time they did not require you to complete high school or get a GED. Graduated from the University of South Florida in Tampa, FL. Attended South Texas College of Law in Houston, TX where I met my wife. Son, Harris is a junior at the University of Wisconsin and daughter, Haley, is a sophomore at Spartanburg Day School. Family owns the oldest family owned business in Manhattan, NY called Garber Hardware, established in 1884. Have attended 3 Superbowls. Played golf with a member of the NFL Hall of Fame, Derrick Brooks. My wife, who is a brilliant attorney, had a case go before the US Supreme Court. Enjoy attending sporting events, playing golf, tennis, hiking with my family and dogs. Practiced law for over 20 years in Tampa, concentrating in the areas of personal injury and insurance related litigation. Currently, Chief Operation Officer and Director of Business Development & Client Relations for The Palladian Group.

Great Kids Deserve Great Books

You can help by donating new or gently used children's books appropriate for ages 0-10 (board books, picture books, early reader books, and easy chapter books). Or you can make a small donation of \$10-\$50 to purchase books for this project. We are collecting books and donations at Rotary meetings through April 21st.
