Last Week's Program

Betsy Fleming gave us an update on Converse College last week. The college has seen a 30% growth in enrollment over the past 10 years. There have been many improvements made to the buildings and facilities, new academic programs and expanded community engagement. An internship requirement is being added to all majors to enhance experiential learning. Under Betsy's leadership, Converse College is "bringing higher value to higher learning."

Upcoming Programs

Nov. 3 Update on Downtown Spartanburg Business
- Patty Bock

Nov. 10 Spartanburg Philharmonic Conductor
- Sarah Loannides

Do you know a future Rotarian?

The Rotary Club of Spartanburg is almost 100 years old and one of the largest in South Carolina, but we have room to grow!

Do you know someone who enjoys serving their community?
Do you know someone who has moved to town, and is eager to learn more about Spartanburg?

Do you know a leader in their field who would bring new ideas to our Club?

YOU are important to the future growth of the Club. Take a moment to list someone you may know that would make a great Rotarian.

Your Name: _____

ROSTERS

Please note that our new roster includes all members of The Rotary Club of Spartanburg as of September 30, 2015. If you need information for a member who joins our club after that date, please go to the District 7750 web site (www.rotary7750.org), log in by entering your username (email address) and your password. Your password is your member ID number, which is printed on the label of the Rotary magazine that you receive in the mail. You can also contact the Club Secretary/Treasurer, Kit Jennings, (cjenn519@aol.com) and he will give you your password. Our Club Number is 6215.
