Last Week's Program

SC Speaker of the House Jay Lucas was our guest speaker last week. He reviewed several issues that make South Carolina different from other states. He pointed out that South Carolina is rated as the #2 state in the country for businesses, largely due to incentives for private sector investment. He also noted that the state budget is in good shape, with over \$500M in reserves. He said that they continue to work on solving the problems with funding the state pension program.

Upcoming Programs

Oct. 24	HALTER	- Mike Hollifield
Oct. 31	Upcoming Referendum	- Katherine O'Neill & Allen Smith
Nov. 7	New Member Talks	

Did you know in 2017, only six cases of polio have been reported in Afghanistan (4) and Pakistan (2) with Nigeria still holding at zero? To reach a polio-free status requires at least three years with no new polio cases.

Since Rotary started the fight against polio, the number of polio cases has been reduced by 99.9 percent and reached more than 2.5 billion children with the vaccine.
