Did you know in 2017, only six cases of polio have been reported in Afghanistan (4) and Pakistan (2) with Nigeria still holding at zero? To reach a polio-free status requires at least three years with no new polio cases.

Since Rotary started the fight against polio, the number of polio cases has been reduced by 99.9 percent and reached more than 2.5 billion children with the vaccine.

Donating is easy. Visit <https://www.endpolio.org/donate>. You can sign-in with your Rotary account to track your donations and receive recognition. Kit Jennings can provide your account information if you need it.
