Last Week's Program

Rich Jones and member Sue O'Brien presented our program last week on the Opioid Epidemic. They addressed the history of how the crisis has developed since the 80's and 90's, when prescriptions were written primarily by specialists for short term pain management and hospice care, to the more widespread use today. They told us there are more prescriptions written for opioids in South Carolina than residents in the state.

Thanks to Dan O'Neal for another great Rotary Social!!!
(Where did you get that suit???)

Dashing through the snow
In a one-horse open sleigh
O'er the fields we go
Laughing all the way
Bells on bobtails ring
Making spirits bright
What fun it is to ride and sing
A sleighing song tonight

Jingle bells, jingle bells
Jingle all the way
Oh what fun it is to ride
In a one-horse open sleigh,
hey
Jingle bells, jingle bells
Jingle all the way
Oh what fun it is to ride
In a one-horse open sleigh

**Thanks to everyone who
volunteered to
