TRIP TO PERU - CLEAN WATER INITIATIVE

Anyone interested in going on the trip to Peru with Paul Petersen, the trip dates are July 14-22, 2017. One of the projects the team will work on is building family sized clean water systems, taking them into the homes where they are needed, and instructing the family in their care and use. Knowledge of Spanish is helpful but not required. The club has some funds budgeted to help with this. Contact Paul for more information.
