Last Week's Program

Last week we listened to a panel discussion by members of the "Joint Funders" who are also members of our club as they discussed philanthropy efforts in our community. The group includes the Mary Black Foundation, the Spartanburg County Foundation, Spartanburg Regional Foundation and the United Way of the Piedmont. The Joint Funders routinely work together around issues of common interest including adolescent pregnancy prevention, access to behavioral health, nonprofit capacity, and other community needs of mutual interest.
