Pledge to Plant

In the spirit of global sustainability, RI President Ian Riseley is encouraging Rotary clubs to have one tree planted for each member of their club by Earth Day, April 22, 2018. The goal is to plant 1.2 million trees. Rotarians around the

world are sharing their tree planting stories on social media with the hashtag **#pledgetoplant**. Please send any pictures of you and your family planting a tree to Missy House at Missy.House@mail.house.gov to share on our Facebook page and Stephanie Burton at sburton@gibbesburton.com to share on Twitter.
