

Welcome To Rotary

Tuesday
August 22, 2017

Today's Program

Today's Song: My Country Tis of Thee - Charlie Boone

Today's Invocation: Todd Stephens

Health & Happiness: Justin Schutrumpf

Today's Program: Oobe - Mike Pereyo

Last Week's Program

Mary Levens and Jennifer Hoy from the Spartanburg Science Center presented last week's program on the Solar Eclipse. They told us that a total solar eclipse happens every 18 months, but the last one that was visible in the United States occurred in 1979. Mary told us to expect the birds to be quiet and the temperature to drop about ten degrees during the total eclipse.

Upcoming Programs

Aug. 29 School District 6 Farm to School
- Dr. Daryl Owing

Sept. 5 DOT Commissioner - Woody Willard

Sept. 12 **NO LUNCH MEETING – SOCIAL**

Did you know in 2017, only six cases of polio have been reported in Afghanistan (4) and Pakistan (2) with Nigeria still holding at zero? To reach a polio-free status requires at least three years with no new polio cases.

Since Rotary started the fight against polio, the number of polio cases has been reduced by 99.9 percent and reached more than 2.5 billion children with the vaccine.

Donating is easy. Visit <https://www.endpolio.org/donate>. You can sign-in with your Rotary account to track your donations and receive recognition. Kit Jennings can provide your account information if you need it.

Social – September 12th

Mark your calendars! The first Rotary Social of the year will be held at the Drayton Mills Marketplace. This will be a great time for Rotarians to enjoy a night out with our significant others at a relaxing, fun location. More information to come from Dan O'Neal! Special thanks to new member, John Montgomery!
