Last Week's Program

Our Speaker last week was Mike Pereyo, CEO and Founder of Oobe. He told us about how his company has evolved. They offer Design/Build programs for a range of leading companies in various industries. From the Oobe web site: "Our purpose can be boiled down to the simple yet challenging phrase "Love and Serve." In all our work, we try to consider others and their needs

before ourselves. This purpose applies to how we conduct ourselves with each other, with our clients, with our communities, and beyond. Finding new ways to love and serve the people around us excites us and drives our work each day."

Upcoming Programs

Sept. 5 DOT Commissioner - Woody Willard

Sept. 12 **NO LUNCH MEETING – SOCIAL**

Hurricane Harvey

All of us have seen the devastation being caused by the hurricane and flooding in Texas. We will be sending a donation from our club to the Rotary Club of Houston to help in their relief efforts.

If you would like to make a personal donation, please bring a check made out to the Rotary Club of Spartanburg and give to Kit Jennings. You can also mail a check to:

Rotary Club of Spartanburg
P. O. Box 906
Spartanburg, SC 29304

No amount is too small. Any amount will help.

Social – September 12th

Mark your calendars! The first Rotary Social of the year will be held at the Drayton Mills Marketplace. This will be a great time for Rotarians to enjoy a night out with our significant others at a relaxing, fun location. More information to come from Dan O'Neal! Special thanks to new member, John Montgomery!
