

# Welcome To Rotary

**Tuesday  
September 12, 2017**

## Today's Program

**Today's Song:** The Star Spangled Banner - Don Woodward

**Today's Invocation:** Yossi Liebowitz

**Health & Happiness:** William Gray

**Today's Program:** Preserving History - Todd Stephens

## Last Week's Program

Our guest speaker last week was Woody Willard, Commissioner of the SC Department of Transportation. He began his remarks by thanking the members of our club who are also members of the legislature for their support of the recently passed roads bill. He noted that South Carolina has the 4th largest road system in the country and the highest fatality rate in the nation. He told us that one half of the new funding will go to new pavement projects, with the remainder going towards bridge repair and replacement, interstate widening, rural road safety and other widening projects.

## Upcoming Programs

Sept. 26 Chancellor, USC Upstate - Dr. Brendan Kelly

Oct. 3 District Governor Visit

Oct. 10 State Legislative Agenda - Jay Lucas

## Hurricane Harvey

Severe rainfall has caused historic flooding along the Texas coast. About 6.8 million people have been affected by the hurricane.

Last week, so many club members showed their caring and generosity by making a donation that will go to Rotary District 5890 which includes the Houston Rotary Club. If you would like to make a donation, please bring a check to give to Kit at our next meeting or mail to: Rotary Club of Spartanburg; P. O. Box 906; Spartanburg, SC 29304. Any amount will help!
