Last Week's Program

Fellow member Scott Cochran presented our program last week, and he shared with us that after a recent shopping trip to Costco, he decided that he wanted to live there, relating his experience of the sense of community and diversity that he felt while he was there. He also shared some updates about Spartanburg Methodist College, noting that enrollment is now up to 840 students, and they expect to grow to over 1000 students in the future. Seventy percent of students live on campus.

Upcoming Programs

Nov. 13 Wofford College - Nayef Samhat

Nov. 20 Thanksgiving Program

Nov. 27 Piedmont Care - Tracey Jackson

FUN FACTS

Betsy Neely Sikma

1. I am the youngest of five children AND the only daughter. I got the best spot in the line-up. I am tougher than a two dollar steak and also thoroughly spoiled.
2. I went to Spartanburg High School (Go Vikes!), Furman University (Go Paladins!), and Vanderbilt University Divinity School (Anchor Down!) for grad school.
3. I met my husband (also a Vandy grad) in the Detroit airport in the line for Quizno's. Turns out, we were both headed overseas to do a course of study for grad school at Sarum College in Salisbury, England. The rest, as they say, is history.
4. Jason and I have two delightful daughters, Wren (6) and Rowan (3). We call our little family the Sikma Circus.
5. I play violin and piano and I am a music lover. AND in the past week, my elder daughter got her first violin and picked out the tune to "Heart and Soul" on the piano for the first time!
6. I have lived in Spartanburg, Greenville, Atlanta, Nashville, Chicago, and Spartanburg again!
7. In all things, I seek to follow the wisdom of Micah 6:8: Do justice, love mercy, walk humbly
