Last Week's Program

Two weeks ago we enjoyed our visit with District Governor Rob Hanley. He noted that our club is the second oldest and largest in the state, and commended us for the ways that our club reaches out to the community through projects such as the Science Fair, Spartanburg Sings and Rotary Reader. Last week we thoroughly enjoyed our custom tour of the new Spartanburg High School, guided by Russell Booker, Eric Levitt, Jeff Stevens, Terry Pruitt, and Carlotta Redish.
