Today's Program

Today's Song: God Bless America - John Perry

Today's Invocation: Muffet Chapman

Health & Happiness: Gary Pope

Today's Program: Northside Initiative Project Update
- Bill Barnet

Last Week's Program

Patty Bock and Janson Tidmore gave us an update on economic development in downtown Spartanburg last week, noting that the recent success in bringing development is a result of the symbiotic relationship between the City of Spartanburg and the Spartanburg Downtown Development Partnership. They pointed out we have pedestrian traffic of 261K/month in the downtown area and steady increases of 8-10% in hospitality tax revenue.

Upcoming Programs

- April 16 New Member Talks
Howard Tate, John Kimberly and Sue Johnsen
- April 23 TBA
- April 30 SC Legislative Update - Governor Henry McMaster
