Today's Program

Today's Song: My Country 'Tis of Thee - Tom Evans

Today's Invocation: Koger Bradford

Health & Happiness: Marisa Cecil

Today's Program: Spartanburg High Production of Mama Mia

Last Week's Program

Last week we heard from Joel Raines, who previously worked in law enforcement as a canine handler and now is CEO of his own security company. He said there has been an increase in the use of technology in drug use and other criminal activities. One example is the use of hidden cameras in various settings. His company has developed a way to detect this technology. Joel also demonstrated how his canine was able to detect gunpowder in a simulation during the meeting.

Upcoming Programs

May 28 Veterans Day Program
Thank you Veterans for the ultimate sacrifice
- Bob Justice

Welcome New Members

Victor Durrah, Jr. Lisa Claxton
