## Last Week's Program

Club Member Bob Justice was our guest speaker last week, giving a special presentation to honor our veterans for Memorial Day. Bob told us that approximately 17M soldiers fought in World War II, and our soldiers have been involved in 62 conflicts since 1775. He pointed out that they all had one thing in common, they served with love and devotion to our country.

Thanks to all veterans who gave the ultimate sacrifice!
