Today's Program: Fifty Upstate - Yvonne Harper

Last Week's Program

Laura Jennings Estevez (daughter of Kit Jennings) was our special guest speaker last week, giving us an overview of Casa Gabriel, a special mission in Quito, Ecuador where she has been working with her husband Jorge for over nine years. Their vision is to see youth at risk become successful Christian leaders in their home, church, community and world. Their mission is to provide holistic training to former street boys. Donations can be made online to: www.give.onecollective.org (Youth World).
