We had our annual Club Assembly and elections at our meeting last week. Cindy Kelly was elected as our President-Elect Nominee, and Joe Mullinax and Derham Cole were elected as new directors on our Board for 2020-2021. Kit Jennings gave us an update on our Club as well, which currently has 196 members, including 104 Paul Harris Fellows. Mary Mathes announced that sponsor letters have been mailed out for the Science Fair, which will be held on March 3 this year. Please contact Mary if you would like to help sponsor this year.

Please consider buying an advertisement in the program for Spartanburg Sings, or making a financial contribution. The deadline is Friday, January 17. Proceeds raised from the event are used to support our Rotary Club's Youth Opportunity Grants Program in which community organizations working with youth throughout the county may apply for grants.

We need volunteers to assist with many different activities related to this program. Please respond to the email that was sent out by Richard Rhodes, or contact him directly if you can help.
