## Last Week's Program

Last week Allen Smith gave us an update on local tourism, economic and business development for 2019. He pointed out that our Chamber of Commerce is one of the only organizations that handles all of these activities under one umbrella. During the past year we saw \$60M invested in 27 economic development projects, creating 751 new jobs. He told us that 27% of new investment in South Carolina was from Spartanburg County. He told us that our success was due in large part to the partnership between the Chamber, the city and county.

## Upcoming Programs

Jan. 28      New Member Talks

Please consider buying an advertisement in the program for Spartanburg Sings, or making a financial contribution. The deadline is Friday, January 17.
